You can find and join the wiki, <http://help.wikispaces.com/Teacher+Help> to find this and more useful information you can use in your presentation.

### Where can I see some examples of other teachers using Wikispaces?

Have a look at the [educational wikis wiki](#). It's a wiki, too, so you can contribute your own examples and ideas. You may also want to check out the [Wiki Walk-Through](#) from TeachersFirst.

### I'm presenting at a conference. Do you have any material for me?

Giving a talk? You can distribute this  [getting started PDF](#). Email us at [help@wikispaces.com](mailto:help@wikispaces.com) if you have any questions.

### I'm holding a training session to show people what wikis can do. Do you have any tools I can use?

Our [PDPresenterToolkit wiki](#) is a self-contained professional development presentation that will help you describe and explore the role of wikis in K-12 education. If you would like to give this presentation from your own wiki, let us know at [help@wikispaces.com](mailto:help@wikispaces.com).

Still have questions? Send us an email at [help@wikispaces.com](mailto:help@wikispaces.com).
